Presentation

Mission

The aim of the Institutional Department of International Relations is to support the internationalization strategy of the College of Vocational Studies for Preschool Teachers and Medical Nurses in Vrsac, to create and maintain the image of institution, in its quality of forum for education, science and culture in Serbia and abroad.

We offer

- information concerning the conditions for obtaining grants abroad, offered by different institutions, national and international organisations;
- we are in charge of the formalities for traveling abroad of our academics, administrative staff and students (including information about obtaining visas);
- we are at your disposal with materials presenting the institution, in case our academics and students travel to a foreign university;
- we look for partnerships for different international programmes;
- we offer technical assistance for elaborating projects;
- we contribute to the organization of schedules for foreign visitors (accommodation, visits);
- we draw up the official correspondence related to the initial establishment of contacts with universities abroad;
- we present to our students the international programmes in which our institution is involved or to which it has access;
- we study the educational offer on the Internet;

we elaborate informative/ advertising materials in Romanian and in foreign languages promoting the University image and our Department abroad.

Open for public: Wednesday – Friday, 10.00 – 12.30
